OUR VISION
Educate Enlighten Empower

Circular No. SIS Juwaiza/019/2020-2021

08/09/2020

(For boys of grades IX to XII only)

Dear Parents,

Greetings from Sharjah Indian School Juwaiza

Hope our beloved students and respected parents are keeping well and staying safe and healthy.

Now we are in the process of reopening of school in line with the guidelines from the Sharjah Private Education Authority (SPEA). We would like to appreciate the efforts of parents in taking part in the survey conducted in this regard on 19/08/2020.

Based on the feedback from our parents, we have put forward the following operational plan in the coming term of our school.

We expect a gradual return of students to the campus.

We plan to bring the students of grades IX to XII who have opted for face to face learning to our campus from Sunday, 13/09/2020.

School timing: 7:00 a.m. to 12:00 noon

Modus Operandi:

- The school will be providing face to face sessions and online sessions as per the request from parents. Simultaneous sessions of e-learning and face-to-face will be taking place.
- However a 100% Distance Learning approach will be provided in case of the following:
 - Students who have been advised to be quarantined at home
 - Students in the high risk category
 - Students who are feeling unwell and are unable to attend school
 - Family members exhibiting symptoms and the parents wish to keep their wards at home
 - Parents who do not feel comfortable to send their wards to school

Health and safety protocols:

- We are in line with the protocols and guidelines provided by SPEA to ensure the safety and security of students and teachers.
- The COVID TASK FORCE set up in school will be looking after the safety of the students when they reach school.
- Students are required to bring gloves, a minimum of two masks each and a face shield for their personal use. Otherwise students will not be allowed to enter the bus.
- Parents need to wait with students until the bus departs.
- Students will not be allowed to enter the bus if fever is apparent.
- Parents should send the Covid 19 test Negative certificate to boys@sissharjah.com and can physically join school upon receiving the confirmation mail. The copy of the same should be

given to the respective class teacher also once the child joins for the classes.

- During face to face learning if a student shows symptoms of Covid 19, he will not be allowed to continue the class. He will be required to go for Covid test again and to produce a negative certificate.
- If any student violates Covid protocol he will not be allowed to continue face to face learning.
- Parents are requested to ensure that their wards change the uniforms on a daily basis.
- Water dispensers/coolers will be out of service. Hence all students are required to bring enough drinking water for their own use.
- Students are required to bring snacks and water from home for their personal use.
- It is not allowed to share food or water with the others in the school.
- Teachers and students are requested to rely on digital resources for all sorts of class-related works.
- All are required to adhere to the social distancing aspect to control spread of COVID 19.

All the students are required to attend the training on the safety measures using the zoom id 4984429752 on Wednesday, 09/09/2020 at 9:00a.m.

Wishing you safe and healthy academic days ahead.
