Circular No. SIS Juwaiza/027/2020-2021

27/10/2020

Dear Parents,

Subject: ASSET for the students of grades 3 to 9

The Sharjah Private Education Authority (SPEA) has mandated Asian curriculum schools to continue to take ASSET as a required assessment as per the National Agenda Parameter for Sharjah and the UAE. It has been mandated that the students from grade 3 to 9 would need to participate in this external assessment.

ASSET is a **unique test that checks the depth of students' understanding on every topic. The fee for the test is AED 74 (inclusive of VAT) for English, Maths and Science.**

BENEFIT OF ASSET (Assessment of Scholastic Skills Through Educational Testing)

After the ASSET, the child will receive a personalised comprehensive view of his performance, in the Student My Book, along with detailed insights on his strengths and areas that need improvement. **The child will also get benchmarked with his peers across the country and internationally, to help them understand where they stand, along with targeted practice questions.**

ASSET papers are designed by subject experts who are specialized in designing questions that test understanding of a concept in an interesting manner. This makes the testing experience stress-free and fun for students. Students benefit greatly from the individualized analysis, remedial instructions and questions that they can use to practise at home. As directed by the Sharjah Private Education Authority, we are registering our school for ASSET for the academic year 2020-21.

ASSET online version will be scheduled anytime between January 10th and March 4th 2021. Dates relevant to your ward's grade will be informed accordingly.

Kindly make sure to remit the payment on or before 5th November 2020 at the fee counters in SIS Ghubaiba or SIS Juwaiza / Indian Association Sharjah.

(Please fill in and sign the consent slip provided on the next page and send to the class teacher, after making the payment)

Preparation for ASSET: Students may visit www.aqad.in to sign up to receive their grade appropriate questions to familiarize themselves with the type of questions asked in ASSET.

With every good wish,

**MOHAMMED AMEEN
