Dear parent,

Greetings from Sharjah Indian School Juwaiza

We are delighted to announce the highlights of the ASSET Examination 2021 for the students of grades 3 to 9.

Kindly note that ASSET (**Assessment of Scholastic Skills through Educational Testing**) is a skill-based **test** that measures student's conceptual understanding and benchmarks the school's performance at international, national & regional levels with actionable insights through easy-to-understand reports. Students of Sharjah Indian School Juwaiza take the test every year to analyze the strengths and weaknesses of the students in the core subjects. This year also our students have performed well based on the ONLINE test conducted by the ASSET officials. All the participants have received a detailed analysis of their performance in each subject. This will enable them to improve their levels in the respective subjects and the areas.
