OUR VISION

Educate Enlighten Empower

For the boys of grades IX – XII (2021-22) only

4th Oct 2021

Dear parent,

Kindly note the highlights of the special Scheme for 2021-22 by the CBSE.

- CBSE has divided the academic year into two terms, with a rationalised syllabus for each term. The details of the syllabus can be downloaded from www.cbseacademic.nic.in
- The examinations will be conducted OFFLINE.
- The First Term Examination Question Paper will have Multiple Choice Questions (MCQ) including case-based MCQs and MCQs on assertion-reasoning type. Duration of test will be 90 minutes and it will cover only the rationalized syllabus of Term I (i.e. approx. 50% of the entire syllabus)
- Question Papers will be set by the CBSE for X & XII and likely to be set by the school for IX & XI.
- The responses of students will be captured on OMR sheets.
- Marks of the Term I Examination will contribute to the final overall score of students.

The model examinations are scheduled to be held in school to acquire familiarity with the types of questions and examination pattern for the Term I.

Since equal weightage of marks is expected for term I and term II, in normal situations, the marks scored in the term I will be vital and decisive in the year-end performance of the student. Hence we urge parents to monitor your ward's studies at home and to instil seriousness.

Term II: Examination Question paper will contain MCQs, Short & Long answer type questions. Only the Term II syllabus will be included in the Question paper.
