## OUR VISION

Educate Enlighten Empower

Circular No. SIS Juwaiza/037/2021-2022

05/10/2021

Dear Parents,

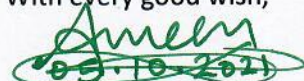

**Greetings from Sharjah Indian School Juwaiza.**

We are happy to see our beloved students from grades 6 to 12 are back to our campus, adding life to the school. This is strictly based on the guidelines from SHARJAH PRIVATE EDUCATION AUTHORITY (SPEA), maintaining all necessary COVID protocols in the campus and in the buses.

- 1. Examinations:** The timetables for various examinations have been published for your reference. Please note that Examinations of CBSE subjects for grades VI to XII will only be conducted FACE TO FACE, as per the guidelines from the SPEA. There will not be any option for ONLINE examinations for these subjects.
- 2. School Transport:** We are well set with the school buses with adequate sanitization process. Those who have not filled up the transport request forms yet can do so at Ghubaiba campus to avail the transport facility. Please note that it is required to pay transport fees for the month of October, for those who use school bus and come for face to face examinations.
- 3. Face to Face / Hybrid classes:** Currently a good number of students of grades 6 to 12 are attending Face to Face classes in school, for those who have opted for it. However, we encourage all our students from grades 6 to 12 to attend the classes in school in order to grab maximum on the academic progress and to enjoy campus life. It is with immense pleasure I would like to inform you that a good number of students are attending face to face classes and making use of the opportunity to learn directly from teachers and to be part of the activities being conducted in school. It is certain that the real life experiences will always enhance and boost their life skills which will strengthen them to face day-to-day challenges. Hence we strongly recommend you to opt for the face to face / hybrid learning mode of classes.
- 4. Co-curricular activities:** The school council and various clubs are back to action in conducting various co-curricular activities etc. which play an integral part of education. Already we have conducted a session on e-safety by Commerce club and Gandhi Jayanti Celebrations by Social Science Dept. in coordination with the school council and the Art Dept. More activities are on the way to be organized in school.
- 5. Grades 1 to 5:** We have been receiving lots of requests from parents to begin face to face sessions for grades 1 to 5 as well. We are in the process of materializing the same for those who opt for the face to face sessions.
- 6. Covid Test:** Please note that a COVID test negative results (72 hour validity) is compulsory to attend face to face classes /examinations for the first entry in school, even if vaccinated.

*We express our sincere gratitude to the parent community in supporting school even during this pandemic situation.*

With every good wish,

  
05.10.2021
