OUR VISION

Educate Enlighten Empower

Circular No. SIS Juwaiza/098/2022-2023

14/11/2022

For Grade VII & VIII only

Dear Parent,
Greetings from Sharjah Indian School, Juwaiza

Please be informed that **HOPE Club** of Sharjah Indian School Juwaiza is developing an agriculture farm which has been inaugurated by honourable agriculture minister of Kerala. The main aim of the **HOPE club** is to join with the **United Nations' second sustainable goal- zero hunger**. Our plan is to grow herbs and vegetables in our farm.

So we are inviting students from grade 7 and 8 to join with us to do farming. Interested teachers are also can join with us.

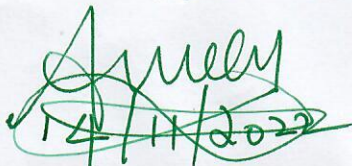

Each plot will be provided for a group of 4 students. Primary essential things will be provided by **HOPE club**. Priority will be based on first in first out, as we have only limited place. **Interested student team and teachers can approach HOPE club coordinators Mrs. Jaseena Hameed and Mr. Shan Sharafudheen.**

As part of farming, we would like to arrange a workshop for students of grade 7, 8 and Hope club students. A team from **AIESEC** is giving **The Food Heroes** workshop which aim to inspire the next generation to eat more sustainable food and to teach them about strong relationship between food and planet's welfare. **Feed The Planet initiative** will be giving certificates to the food heroes after the workshop. They have conducted workshops around the world and educated **8500 children across 11 countries**. The workshop is designed to captivate kids by using activities, videos and workshop materials.

DAY AND DATE FOR WORKSHOP

GRADE	DAY/DATE
VII	Monday, 21 st November 2022
Hope Club Members	
VIII	Tuesday, 22 nd November 2022

With every good wish,

MOHAMMED AMEEN
